

Stairway to Heaven (on Earth) - SiSo 5350' - Slope Side Cabin Beech Mountain

[View More Pictures](#)

Located in: Beech Mountain

WINTER ADVISORY***

SiSo 5350' gets a lot of snow, 4ft or more chains are highly recommended. The roads are plowed & maintained by the Town of Beech Mountain, however they can be changing. SiSo 5350' (Si - Slope / So - Slope) is one of the few true truly SKI Pts. 380' GUT houses on Beech Mountain. Perched near the summit of Beech Mountain with an elevation of 5350'. This is a great place to be in the high range slopes. On the website "MOUNTAIN.COM" you will see many more pictures and note that there are about 50 steps from the parking area to the cabin, we feel confident that the long range views, for outweigh the effort required to walk up the steps.

Luxury situated in a cluster of Beech Trees and family friendly from the street, yet with clear views of beyond long range mountains. At over a new high elevation, SiSo 5350' sits above the surrounding trees and other cabins, you will feel yourself immersed in the trees and tranquility. Sitting on the upper deck watching the sunrise paint the eastern sky while you drink a cup of coffee, is truly heaven on earth.

Ski in - Skii OUT! As an entertainment, you can literally sit down your friends and family as they came (Upper Shallowwater trail while you are relaxing on the lower deck drinking a hot beverage. The upper deck is over a high high with long range sevend views, the lower deck has direct access to the top of Shallowwater slope. Whether you are snow skiing, snowboarding, or mountain biking the direct access to the best slope on Beech Mountain is perfect.

Cats the first run of the day without having to wait for the chair lift, then hit the high speed quad to the top and ski down to the lower deck where there is plenty of seating for the whole family. In just at the same time. The down stairs entry door is the perfect place to store all your gear to dry out for the next day.

Don't forget that not only is SiSo 5350 a great winter spot however, it is a great year round. Summer time high temperatures in the mid 70's, makes SiSo 5350 a perfect getaway from the days of summer.

It's hard to sleep in with the sunrises you will see at SiSo 5350, your days start speculate and only get better. Whether you will be lazing in the beauty through the hour to ceiling glass doors, sitting in the blue moonrise at one of the expansive decks, your morning coffee never tasted so many flavors.

UPDATES!!!

SiSo 5350' has been recently purchased by us, the Griffin Family. Our cabin has seen many years of use and we feel that she deserves some updating. We have worked hard to prepare SiSo 5350' for this winter's season. To those that have stayed with us over the summer and fall, THANK YOU! Without you, SiSo 5350' wouldn't get the renewed focus on life and bring joy and relaxation to so many families.

Here are the updates completed so far:

New lighting along room furniture.

Window treatments.

Blanket curtains in bedrooms.

New carpet throughout the house.

Updated bathroom with Thompson 1902 Dispensary Amenity Collection.

Central Air & Furnace
